1. The Specification is Objected to as "Figures 2 are contained in the Drawings but not listed in the Brief Description of the Drawings in the specification.

ARGUMENTS AGAINST THE REJECTIONS AND OBJECTIONS IN THE OFFICE ACTION

1. The Specification is Objected to as there is no Brief Description of Figure 2.

The Original Specification as filed does in fact contain a Brief Description of Figure 2 as follows:

[0022] FIG. 2a)-e) shows a series of frame displays within which the symbols of the game(s) may be displayed.

There is no specific indication of why this description is not believed to be sufficient, so it will be assumed that the lack of a specific description for each of 2a), 2b), 2c), 2d) and 2e) is the basis for the objection. The specification has therefore been amended to correct the Brief Description to include a statement for each Figure.
